2. Energy Conservation as a Way of Life

Energy conservation education is the inevitable requirement of sustainable development strategy for higher education. It is high time for students to come up with energy efficient ideas to make their mother earth greener. Different methods of energy efficiency for solving problems like pollution and minimizing energy waste can make a difference on our environment. If college students develop a good sense of energy crisis and good energy saving habits, they can respond well to the national energy saving and consumption reduction call, and effectively carry out energy saving and consumption reduction work. This prompted the Energy Club of Sree Narayana Training College to take active action to further strengthen the energy saving education for students, and to improve students' consciousness of energy saving.

Some of the multifaceted activities undertaken by the Energy Club of Sree Narayana Training College for the cause of Energy Conservation are given below:

ACTIVITY 2.1:

Name of Activity: Energy Literacy Survey & Conscientisation Programme

As a part of the Energy Club activities, a community survey on Energy Literacy was conducted on 3 September 2019 at Nedunganda. The survey tool consisted of 25 questions and data was collected from the people in the locality based on the consumption of energy. Also, an awareness campaign was conducted for the people of the locality on the ways to conserve energy.

ACTIVITY 2:

Name of Activity: Conscientisation Programme on Solar Eclipse 2019

The college organized a Conscientisation Programme on Solar Eclipse 2019 in collaboration with Kerala Sasthra Sahithya Parishad and Energy Club of the college. The programme was comprised of four phases.

Principal
Sree Narayana Training College

SREE NARAYANA TRAINING COLLEGE, NEDUNGANDA, VARKALA
OUTREACH ACTIVITIES ORGANIZED BY SREE NARAYANA TRAINING
COLLEGE, NEDUNGANDA, VARKALA DURING THE YEAR

2018-2019

Sree Narayana Training College has been organizing a lot of community extension programmes as part of both curricular and co-curricular programmes every year. The activities organized by the institution are always in relation to the immediate needs of the community which empowers the student teachers by developing leadership skills, career awareness and civic participation.

a) Challenge of Eradicating plastic waste from the Papanasam Beach 05.06.2018

Students of Sree Narayana Training College were actively and enthusiastically participated in the challenge of eradicating plastic waste from the Papanasam beach, Varkala, where tons of plastic waste accumulates every time. Removing trash from beaches will not just ensure a beautiful coastline but help maintain a healthy marine ecosystem. Around 30 students and teachers engaged in cleaning and collecting the plastic waste such as plastic bottles, plastic bags, wrappers from the Beach side and handed over to Varkala Municipality for disposal. They have also interacted with visitors and requesting them to maintain cleanliness and to avoid the use of plastic items which was the major source of the waste collected. This challenge helped to raise awareness around plastic pollution and the current impacts of plastic on our environment. Cleaning beaches are essential to healthy coastal habitats and the well being of people who visit there.

i) **National Conclave On NAAC- Revised Reaccreditation Framework For Higher Education Institutions**

A National Conclave on Accreditation Framework for Higher Education Institutions-NAAC /SAAC / QCI, organized by IQAC of Sree Narayana Training College, Nedunganda, was conducted on 14 November 2018. Accreditation of Teacher Education Institutions needed some sort of clarification on whether it is Quality Council of India (QCI) or NAAC. Advice from National Council for Teacher Education (NCTE) reflected that whichever be the agency, Higher Education Institutions (HEIs), including Teacher Education Institutions, should maintain the quality parameters. In those circumstances, Sree Narayana Training College, Nedunganda organised a National Conclave on Accreditation Framework for Higher Education Institutions-NAAC / SAAC / QCI,intended for college principals, IQAC team members of various colleges and academicians. The conclave provided opportunities of active participation, interactive discussion, doubt clearance and clarity in the preparation for accreditation of all the institutions.

k) REGIONAL SEMINAR 2019 ON INNOVATIVE PRACTICES IN TEACHING

Sree Narayana Training College conducts an innovative seminar every year for the student teachers from 2004 onwards as an intercollegiate competition. Innovative seminars facilitate students in developing and applying their reflective thinking, creative and critical thinking capacity and problem solving ability in preparing an innovative teaching material for effective classroom teaching. The competition is held among the student teachers of teacher education institutions under the University of Kerala. Two participants from a college are allowed to participate in the competition.

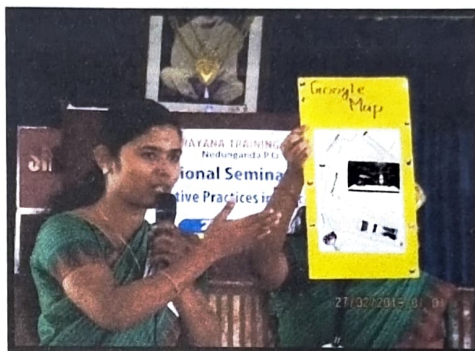

During the academic year, the seminar was organized on 27/02/2019 and 32 participants from various teacher education institutions presented their innovative works..The works presented by the contestants were evaluated by eminent educators from the Department of Education, University of Kerala Thiruvananthapuram. During the year, First and Third prize was
