

SAMAJASAM 2018

Sree Narayana Training College, Nedunganda organized the community living camp from 1/ 10/2018 to 5/10/2018 and was titled as SAMANJASAM 2018, THE COMMUNITY LIVING CAMP. The main theme of the camp was *Education and social responsiveness*. The camp was inaugurated by **Sri Aji S. R. M.**, executive member of SN Trusts. After that there was a resource talk by **Dr. Jayaprakash**, Head of the Department of Behavioural Paediatrics, Govt. Medical College, Trivandrum on the topic “*Adolescence and Adolescent Psychology*.” It was informative as well as an interactive session. In the afternoon session , there was a Rhythm of Folk songs by **Ajith Thottakad** and team. It was a vibrant session where all the students actively participated with full of energy. In the evening, the camp members visited Nedunganda beach for having some joyful moments together. At night, there was cultural programmes by the respective group, where participants performed very well as per interests and potentialities. The first day programme was ended by moot Court which was co- ordinated by Dr. Pramod G. Nair and it was an effective way to improve the limitations of the day.

The second day was started by practicing **Yoga and Meditation** under the guidance of Amjith S., Assistant Professor in Physical Education. It was followed by Gandhi Jayanthi celebration and was inaugurated Dr. Rany S., Principal, S.N. Training College. Then there was a **Bhajan** from the part of seniors and juniors and the members of the Gandhi Study Unit played a **skit** based on Gandhiji's life. The session was followed by preparation of Swadeshi products like soap, washing powder, lotion etc. The day was filled with the harmony of togetherness, cooking of kappa and chammanthi, cleaning the campus and surroundings. During night, the cultural

programme was organized by the respective group and it was awesome and the programmes were concluded by the Moot court by Sri Praveen R., Assistant Professor.

The third day was started with **Nature Walk** for feeling the nature and visited Ponnuruthu. It was very refreshing for all students. The students got the opportunity to visit "coir making unit" and it was followed by **Extension Services** by the students at Anjutenju village. The students provided training in the preparation of swadeshi products for the kudumbasree units of ward II and ward III. Afternoon session was started with a personality development class which was carried out by **Sri Sanjeevan**, Principal, Navabharath HSS Attingal. The session was very much effective and helped to familiarise some techniques of classroom management and provided techniques to make classrooms live and interactive. In the evening, there was a session on **Magic Show** and handled by **Master Arjun Shankar** and it was quite interesting. The day was ended with cultural programmes and moot court was conducted by Sri Amjith S.

The fourth day of the camp was organized as a field trip- **A day at Mitra Niketan- a community village** at Vellanadu, Trivandrum. The primary focus of the organization aims at providing development oriented education projects to empower disadvantaged children, youth, rural women, and marginal farmers, Education of children, particularly those from socially and economically disadvantaged tribal backgrounds as those children will in turn serve and support their families and their communities. An interactive session was conducted by Dr. Reghu, Principal of educational institutions of the community college and the student teachers got opportunity to observe various activities going around the organization such as pottery unit, industrial unit, coir making unit, bakery, outdoor and indoor stadium etc. The architecture of the institutions were very attractive and eco friendly. In the

evening , there was a movie session and watched “varathan” at Ganga theatre, Attingal.

Fifth day of the camp started with karoke Ganamela . Not only the singers but also almost all students got the opportunity to sing without any hesitation. A role play in association with National Teacher’s Day was also conducted . The camp came to an end with the validictory function in which all the students were given certificates of particiaption.
