### Mentoring Report 2021-22

Sree Narayana Training College maintains an excellent mentoring system. Mentoring system is implemented from the very beginning of the course. Each student is assigned to a mentoring group led by a teacher from the very beginning of the course. Through the monthly gatherings, the mentoring programme is conducted, and the mentees have given remedial measures for their academic and personal problems. Programmes like Freshers Day, SUPW Workshops, Cultural and other programmes of the college is organized and executed by support of this mentoring groups.

### MENTOR GROUP DURING SERVICE TO SOCIETY

At the beginning of the academic year, the first-year students are divided into groups and one mentor teacher was assigned the responsibility of mentoring one group at the ratio of 1:10. The same mentor continues to mentor the student for the two years of his/her course.

**MENTOR MEETING**

**EXHIBITION OF SUPW BY MENTOR GROUPS**

Mentors conduct a meeting with their mentees once a month or as and when required, to discuss their problems and issues related to their curricular, co- curricular and extracurricular activities. The mentor teachers spend quality time with the mentees by having informal interactions with regard to their personal and academic problems both individually and collectively. The mentees were given proper guidance and counseling by the mentors. The mentor teacher tries his/her best to find solutions to any such issues arising in student's life and informs the college authorities about the matter if need be. If a mentor teacher feels the need for professionals' guidance and counselling to any student, they inform and invite parents of the mentees to the institution and have discussions for the well-being of the mentees. The minutes of the mentoring meetings held and measures taken for promoting the welfare of the mentees are recorded in the mentoring books maintained by the mentor teachers.
