Club organized a competition on Mobile Photography. And on Oct 2017 Club coordinated a discussion on the trends in World Cinema.

### **SUBJECT ASSOCIATION ACTIVITIES 2017-'18**

#### **ACTIVITIES ORGANIZED WITH REGARD TO THE SUBJECT OF EDUCATIONAL PHILOSOPHY- 2017-'18**

In connection with the content transaction of the subjects of 'Educational Philosophy'(EDU 01) and 'Education in Indian Society'(EDU 06), a variety of activities were organized during the academic year 2017-'18.

#### **'Who am I?' -An Introspective SWOT Analysis Entry Activity**

In order to make the students acquaint with the purity of the life related course, an entry activity was organized at the beginning. Student teachers were highly benefited with this SWOT analysis activity of 'Who am I?' They started realizing their potentials and self-motivated to overcome their limitations.

#### **Documentation of Education News**

Documenting the Educational News was a routine activity of Student teachers during the period. They collected, documented and presented daily news on educational value in the

classroom on a fixed day of every week. The programme was highly beneficial in enriching student teachers with current affairs and General Knowledge.

### **Group Discussions**

As part of the curricular transactional processes, Group Discussions were organized on the topics 'Threatening factors of Social Relationships' and 'Factors of Social Change'. The programmes provided rare opportunities to student teachers to express their innate abilities and knowledge depth as well as receiving novel contemporary factual realities. All student teachers actively engaged in the G.D. programmes with great enthusiasm.

### **Seminars**

All the hundred student teachers participated in the seminar presentation programmes. They presented their views on various curricular themes which were already provided with them. The presentations were really worth in enhancing the subject authenticity of the student teacher as they were conducted after a detailed data collection and thorough preparation by the student teacher.

### **Community Extension Research Activities**

As part of the practical activities of Practicum and Minor Research Programmes, student teachers have done research activities on various community benefited themes like water scarcity, ecosystem sustainability, contributions of Akshaya Project, literary programmes, development of Attitude Scales etc. Various awareness programmes were also organized as the conclusion part of the research with respect to the significant demand evolved during the research work.

### **Debates**

Debate on two crucial relevant issues of 'Child Rights Protection' and 'Enhancing Quality of Education' was conducted as part of the curriculum transactional activity. The programme was organized with an objective of enhancing the efficiency of student teachers to critically evaluate a social issue so that they can broaden their outlook of social responsibility and commitment. The programme successfully attained its objectives well.

### **Capacity Building Programmes**

As part of the curricular practical activities, student teachers engaged in various capacity building programmes in order to attain adequate professional capacity for performing multiple roles entrusted on him/her, and enabling him/her to compete in the national and international scenario. The programmes also helped to activate their managerial capacities in human relations. All the hundred student teachers were benefited with the outcome of the programme.

### **School Based Activities**

In connection with the Practice Teaching programmes at various Schools, the student teachers organized School Based Awareness activities on various topics like Drug Abuse, Traffic Rules, Lifestyle Diseases, Career Guidance, Value Education, Child Rights etc. in collaboration with the schools. The programmes were highly significant in triggering the socially responsible teacher qualities among student teachers and value orientation among school students.

We take this opportunity to thank the Respected Principal Dr. S. Rany, Respected Subject Teacher Dr. Smitha S. and all teachers and Non-teaching staff of the college for their valuable direction and help.

---

### **ACTIVITIES ORGANIZED BY THE FACULTY OF EDUCATIONAL PSYCHOLOGY DURING 2017-18**

The faculty of educational psychology organized a number of curricular and extracurricular activities in the academic year 2017-18.

#### **Work Shop on Minor Research Project of Two Year B.Ed Curriculum**

The faculty of Educational Psychology organized a one day workshop on minor research project of two year B. Ed curriculum on 4-12-2017. The major objective of the workshop was to discuss the existing anomalies felt in the organization and evaluation of minor research projects, case studies and action researches in the two year B.Ed curriculum. The teacher educators of various colleges of Kerala University were actively participated in the workshop. Dr.G.R.SanthoshKumar, former Chairman, University of Kerala inaugurated the programme. Dr. Sindhya V., Assistant Professor, Department of Education University of Kerala, Thiruvananthapuram, Dr.Mariamamma George, Associate Professor Peet Memorial Training

college Mavelikkara, Dr.Sobha V.K., Assistant Professor Government Training College Thiruvananthapuram, Dr. George Varghese, Assistant Professor Mount Tabor Training College Pathanapuram, Dr. Sheeba P, Associate Professor S N Training College Nedunganda and Dr. Smitha S., Assistant Professor S N Training College Nedunganda had lead various sessions in the workshop. The workshop evolved a comprehensive format for the organization of Minor Research Project for the two year B.Ed curriculum.

### **Seminars**

The faculty of Educational Psychology organized a series of seminar presentations as part of the curricular activity among prospective teachers. The various topics presented include Individual differences of learners, motivation, creativity, personality characteristics, factors affecting learning etc.

### **Practical Experiences**

As part of the curricular activity practical experiences on laboratory activities were organized for the prospective teachers. The experiences included both verbal and non-verbal activities.

### **Extension Activities**

The faculty organized an extension service for the secondary school students and teachers of SNVHSS Nedunganda. The participants were given training in the preparation of swadeshi products such as washing powder , lotion etc.

### **Capacity Building Programme.**

It is a new initiative introduced by the University of Kerala in the revised B.Ed curriculum. The faculty of Educational Psychology implemented the activity as a continuous programme that spreads over the three semesters. The activities designed for the three semesters focused the development of each student teacher both as a future teacher as well an individual. The activities designed for the current academic year emphasized the activities such as self-awareness, development of problem solving ability as a secondary school teacher in the current scenario, development of capacity to design strategies for various life skills among secondary school students etc. The programme was highly appreciated by the student teachers and all the activities designed were integrated to the curricular content of each semester too. The activities

organized during the academic year 2017-19 were able to fulfil the objectives of the course successfully.

.....

**ACTIVITIES ORGANIZED WITH REGARD TO THE SUBJECT OF EDUCATIONAL TECHNOLOGY- 2017-'18**

The student teachers engaged in a variety of both curricular and co-curricular activities throughout the course for achieving the desired goals with quality. They were expected to develop good teacher qualities through value-based training. The curricular activities include Seminars, Practicum, Practical, Training in ICT, Project etc. The student teachers were given opportunities for the presentation of various topics as part of Seminar presentation. This helped them a lot in developing self-confidence and presentation skills. The practice of doing practicums and practicals enable them to identify many school based and community based problems and find out solutions for the same. The activities helped to develop problem solving skills in prospective teachers. The student teachers were given intensive training in ICT based teaching and learning. The well-equipped IT lab of the college provides the students with opportunities for ICT enabled training. The minor research project helped the students to develop research skills and to identify the main issues and challenges of the of the on-going school education system. Group discussions were done on regular basis in connection with classroom transaction. Through the use of ICT and modern instructional strategies, the student teachers were equipped to meet the needs of our future generations.

**REPORT OF ENGLISH CLUB DURING THE ACADEMIC YEAR 2017-18**

The ever memorable moments being treasured by the Dept. of English of S N Training College, Nedunganda of 2017-2018 academic years is presented happily here in the form of a brief report.

**1<sup>st</sup> SEMESTER**

A total of 20 students (girls) took admission in the English dept. The official inauguration of the academic year was held on 27<sup>th</sup> August, 2017. The first initiative taken by the English

dept. was the introduction of daily word presentation to be conducted along with the thought program and the word presentation was a success and was practiced throughout the year by all the departments.

A vocabulary magazine prepared with the effort of all the 20 students was published in the morning thought program by the honorable Principal in the presence of our HOD Reetha Mam and all the students and staffs of SNTC, Nedunganda.

Independence Day was celebrated on 15<sup>th</sup> August, 2017 and the students of English Dept. actively took part in all the programs with all energy. The next was the Onam celebration, which was celebrated in a traditional manner on 2<sup>nd</sup> September, 2017. The students were grouped into 3 groups and programs were conducted accordingly without any Dept. bias. Active participation was seen from students of English Dept.

After the Onam vacation, the senior students reached back to college after their school induction program. A grand welcome was conducted for all the junior students as a whole program and also the senior students of English Dept. gave a small welcome party separately for their juniors by providing refreshments.

After the college election, union inauguration program was conducted on November 10 and the students of English Dept. performed a group dance. An optional tour was conducted on November 17, and Alappuzha as the destination. Kayamkulam Krishnapuram Palace, Glass museum, coir museum, beach etc. were the places visited. It was really an amazing tour and we cherish it till date.

The college conducted an arts and craft exhibition with all the exhibits prepared by the students on December 5, 2017. It was a colorful event where the students got a wonderful chance to exhibit their hidden talents.

The very next event was our Christmas celebration. It was celebrated on 22<sup>nd</sup> December, 2017. A Christmas friend was selected by each other. With that our first semester came to an end.

## **2<sup>ND</sup> SEMESTER**

The class started on 3<sup>rd</sup> January, 2018. A 5 day school induction program was conducted from 8/01/2018 to 12/01/2018. The next event was the sports day. It was on 9<sup>th</sup> February, 2018. And the students of English Dept. bagged several prizes in athletics, short put and discus throw.

The next program was the most expected one, the general tour. The tour was from 17<sup>th</sup> February to 19<sup>th</sup> February. Konni, Wagamon, and Munnar were the destinations. It was a superb experience and a wonderful journey. 16 students from English Dept. participated in the tour.

A science day exhibition was conducted in all the classes on Feb 28. English Dept. arranged book exhibition, word games, a food court etc. it was really a wonderful moment.

College Arts day was celebrated on February 12 and 13. English Dept. took part in various items and bagged prizes for literary and stage items. A drama was staged by us a part of the theatre practice. Our play was “The Lion and the Jewel”. With that program our first year academic activities came to an end. After the exams, the college was closed on 27<sup>th</sup> April.

Taking a look at the classroom activities, we had finished 3 demonstrations, 5 criticisms, 2 practicums, tour report, school induction report, micro teaching, video lesson plans, book review etc. successfully.

.....

## **REPORT OF THE ACTIVITIES OF SOCIAL SCIENCE CLUB DURING THE ACADEMIC YEAR 2017-18**

With proud privilege and cherishing memories of a colourful semester we present a brief report of the activities of social science department for the year 2017-2018.

### **Independence Day and quiz competition**

The Independence Day celebration was conducted on 15<sup>th</sup> August 2017. In the morning section there is an Independence Day parade and activities. After that there is a cultural programme conducted by the students.

A quiz competition was conducted by the students of social science on behalf of Independence Day. A set of 25 questions were asked to the students and prize distribution was held by the honourable principal.

### **Onam celebration**

Onam was celebrated in a traditional manner on 2<sup>nd</sup> September. The students bagged first prize for athapookalam and second prize for thiruathira and onapatttu. A grand onasadhya was made by our teachers. Students of our department also participated in malayali manka also.

### **Christmas celebration**

We conducted a grand Christmas celebration on 22<sup>nd</sup> December. The programme was inaugurated by the principal. The students and teachers are completely spellbound with the Christmas gratification and the day was called off with a hear lunch.

### **Tour**

In order to digress the minds of the students from the heavy schedule, an excursion was arranged. The three day tour to Marayoor, Vagamon, Anjuruli, Munnar, Kanthloor was conducted in February 2018. Kanthloor was famous for its wide variety of crops which is not seen on the other parts of Kerala which includes varieties of apple, orange, strawberry, plums, gooseberry, passion fruits etc. this place is famous for its cool season. Marayoor is the only place in Kerala that has natural sandal wood forests. The students enjoyed themselves to the fullest and returned to their studies refreshed and rejuvenated.

### **Thought of the day programme**

We started our thought on 26<sup>th</sup> February 2018 on the topic “problems faced by the trans genders in India”. That is #Transgender. The topic made unique and so different from the other topics it is mainly because of its importance in the present scenario. Uthraashaji, Rejitha. R, Aswathy. J, Ayisha. M . Shereef, Jefferson.J.F, has presented paper on the topic. We also presented some video presentations about the topic and a mime about the issues of trans genders. An open discussion was held and students of other departments expressed their feelings and opinions related to the issue.

### **Socio- educated survey**

A socio educated survey was also held on 2<sup>nd</sup> October to Anchuthengu. Anchuthengu fort was established by the East India company in 1696 after the queen of Attingal gave permission in 1694 to do so. The fort was the East India Company's first permanent post on the Malabar coast. The EIC commenced construction in January 1696. In June 1696 pirates destroyed the Bengal Pilot Service's sloop gingili at Anjengo. In 1697 locals attacked the fort, which was not complete, but the English prevailed.

### **Budget 2017-18**

We also conducted a discussion on the topic ‘An analysis of union budget 2017-18 on 15<sup>th</sup> February 2018. Saranya, Arsha, Reshmi, presented their paper on history of budget, an analysis of railway budget, budget of Kerala, and union budget. It was very informative for the students. The budget broadly focused on farming sector, rural sector, rural population, youth etc.

### **Exhibition**

As per the part of our curriculum we conducted an exhibition on 22<sup>nd</sup> February 2018. The exhibition included wide varieties of map, globe, model of solar system, etc. The main speciality of the exhibition is the collection of old coins, traditional instruments for measurements, and the pictures of freedom fighters. There is a food court placed near the exhibition hall. All the students are satisfied with the taste and low cost of food.

We take this opportunity to thank Dr. Rani S, honourable principle for giving us a wonderful chance for fulfilling the activities. We thank Dr. Pramod. G. Nair, Head of our Department, for his sincere support and co-operation. We also thank to all the teachers for their support and prayers.

### **CONCLUSION**

It may be noted that we have completed an academic year with hectic activities in connection with the new curriculum. My colleagues have faced a series of challenges in implementing the new curriculum effectively. But due to their hard work and continuous effort they became successful in facing all challenges. They have done their best for the efficient conduct of the curricular and co curricular activities. In this connection I like to place on record my sincere gratitude to my colleagues both teaching and non teaching for their full cooperation ,sincere devotion and loyalty which made my work very easy.

I express my sincere thanks to shri.Sajin.S S., the college union chairman, Kumari. Aysha Sherif,, Secretary to the college and other office bearers for their dedicated work to make it a grand success. Let me express my sincere gratitude to the staff advisor Dr.ReethaRavi.H for her dynamic leadership and all students of this college for their full cooperation and common will.

I should also remember with gratitude Sri.Vellappally Natesan,our honourable Manager who always shower his blessings and moral support in times of difficulties. I take this opportunity to express my humble and heartfelt thanks to Sri.ThusharVellappally, Asst.secretary,S.N.Trust, Dr Jayadevan. Treasurer S N Trust, Sri.Aji.SRM, S.N.Trust Ex:.member, Sri. Prem Raj, Ex:.member S.N Trust for their valuable contributions and blessings and also for serving as a source of inspiration.

I take this opportunity to congratulate the PTA Vice president Shri.Mohanan Nair , Secretary Dr.Smitha.S and all other members of the PTA on their earnest efforts and commendable services.

We have before us 200 students who are among the cream of the youth of Kerala. They are the future promise for the betterment of the teaching profession, with academic distinction,

positive attitude and social commitment. I am sure that they will come out with flying colours in the coming university examinations and in other tests of life.

In the name of Sree Narayana Guru who is the glowing lamp of the institution, I wish each of the students a happy completion of this course. With this prayful note, let me complete this report.

Thank you.

positive attitude and social commitment. I am sure that they will come out with flying colours in the coming university examinations and in other tests of life.

In the name of Sree Narayana Guru who is the glowing lamp of the institution I wish each of the students a happy completion of this course. With this prayful note let me complete this report.
