

**SREE NARAYANA TRAINING COLLEGE, NEDUNGANDA**  
**REPORT OF ENERGY CLUB 2017-'18**

The Energy Club for the year 2017-'18 organized three **awareness classes on Energy Conservation** led by Sri. Sarath P. S. and Mr. Sajin S. S. under the leadership of Sri. Pratheesh P. K., Assistant Professor in Physical Science.

In collaboration with Kerala State Council for Science Technology and Environment (KSCSTE), the Energy Club organized activities in association with World Ozone Day with a view to disseminate knowledge of environmental hazards among prospective teachers. **Ozone Day 2017** was observed successfully on 16 September 2017 with enriched students' involvement. A documentary 'Ozone' was exhibited, and a presentation was also done in connection with the programme. Using solar energy, Sree Narayana Training College prides itself on keeping greenhouse gas pollution out of the atmosphere.
