

**SREE NARAYANA TRAINING COLLEGE, NEDUNGANDA**  
**NATIONAL SCIENCE DAY 2018**

As a part of the National Science Day 2018, various programmes were organized in Sree Narayana Training College, Nedunganda, with the financial support of Kerala Science Council for Science, Technology and Environment (KSCSTE). The National Science Day was celebrated for three days from 26 February 2018 to 28 February 2018. The programmes were coordinated by Sri. Pratheesh P.K., Assistant Professor of Physical Science of the college.

The National Science Day celebrations began on 26 February 2018 with a seminar conducted by Sri. Amjith S., Assistant Professor in Physical Education, Sree Narayana Training College, Nedunganda, on '**Nanotechnology for Healthy Development**'. In the afternoon session, Dr. I. Shibi, Former Associate Professor, Sree Narayana College, Chempazhanthy, led a seminar on '**Green Chemistry for Sustainable Development**'.

On 27 February 2018, an **Inter-Collegiate Quiz competition** was conducted. In the afternoon session, Sri. Pratheesh P. K., Assistant Professor in Physical Science, Sree Narayana Training College, Nedunganda, conducted a seminar on '**Science and Technology for Sustainable Development**'.

On 28 February 2018, the formal inauguration of the National Science Day celebrations 2018 was conducted by Dr. R. Raveendran, UGC Emeritus Professor and Former Principal of Sree Narayana College. He conducted a seminar on '**Science and Technology for Green Future**'.

This was followed by a **Science Exhibition** organized by the Physical Science Association. Other optional classes also participated in the exhibition with a variety of items. A video presentation was done and many students presented papers on different science themes.
