NATIONAL SCIENCE DAY CELEBRATIONS 2019

The Physical Science Association of Sree Narayana College conducted the NATIONAL SCIENCE DAY CELEBRATIONS 2019 on 28 February 2019 at the college. The programme was convened by Dr. Viji V., Assistant Professor in Physical Science. National Science Day is observed to mark the discovery of Raman Effect by the great Indian Physicist and Nobel Laurate Sir C. V. Raman on 28 February 1928. The basic objective of the observation of National Science Day is to spread the message of the importance of science and its application. The focal theme of celebrating National Science Day 2019 is *'Science for the People and the People for Science'.*

The observance of National Science Day was done by the students of physical science optional by conducting programmes such as Quiz Competition, Poster Making Competition, Teaching Aid Exhibition and Renovation of the science lab of our college.

The **quiz competition** was conducted with the five optionals of the college, other than Physical Science, as the participating teams. The rounds were centred on the common theme 'Science for the People and the People for Science'. All the teams participated in the competition with real spirit. Social Science optional won the quiz competition.

An **inter-optional Poster Making Competition** was conducted. The theme for the poster was announced beforehand. The participants were asked to use A4 sheet and any of the mediums (crayon, water colour or colour pencil), and were also instructed to create and add a slogan in the poster. The received posters were creative and self-explanatory , with striking slogans. Malayalam optional bagged the first prize in the Poster Making Competition.

An **exhibition** of the teaching aids was organised as part of the Science Day. The student teachers wonderfully depicted the beauty of the subject through different scientific experiments and showcased different scientific phenomenon through appropriate teaching aids. Besides this, the science lab of our college was renovated.
