Inauguration of STUDENTS' QUALITY ASSURANCE CELL (SQAC)

An initiative of IQAC

SREE NARAYANA TRAINING COLLEGE

Needinganda, Varkala. Affiliated to the University of Kerala,
Recognized by UGC, NCTE, Accredited by NAAC with A Grade

College Auditorium

03.01.2025

10.30 A.M

Welcome to the Inauguration of the Students' Quality Assurance Cell (SQAC)

We are delighted to present the launch of the Students' Quality Assurance Cell (SQAC) under the esteemed guidance of the Internal Quality Assurance Cell (IQAC) of Sree Narayana Training College. This marks a significant milestone in our ongoing commitment to enhance the quality of education and the overall development of both students and faculty within our institution.

The major aim of IQAC has always been to design, guide, and maintain quality assurance processes that elevate teaching-learning experiences, improve evaluation methods, and ensure continuous quality enhancement across all facets of the college. With the establishment of SQAC, we aim to create an empowering platform that acts as a driving force for institutional quality, focusing specifically on students' contributions towards a dynamic, inclusive, and effective academic environment.

SQAC will serve as a vital tool for motivating and involving students in the process of maintaining and augmenting quality standards, fostering a culture of self-assessment, collaboration, and active participation. By aligning students with quality assurance practices, we intend to further elevate the academic experience, ensuring that our institution continues to thrive as a hub of excellence in education.

We look forward to your active engagement and collective efforts in strengthening the quality initiatives within Sree Narayana Training College.

Together, let's shape the future of education with commitment, passion, and innovation.

Warm regards,

Dr. Sangeetha N.R.
Associate Professor
IQAC Coordinator & Convenor

Prof. (Dr.) Sheeba P.
Principal
